COMMENT SHEET

State Project: 6029-071-836

Federal Project: NHPP-071-3(045) UPC: 119165

All comments provided will be made available to the public for review.

Name (optional):

Address:

1. For each of the proposed improvements presented below, please circle the answer that best represents your response.

1a. The addition of a left turn lane on Tightsqueeze Road will improve traffic flow.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

1b. The addition of a raised median on Tightsqueeze Road will reduce conflicts from driveways that are too close to the intersection.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

1c. The addition of a right turn lane on Fairview Road will reduce the amount of time drivers wait to make the right turning movement.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

1d. Signal poles located in the median are more likely to be struck by vehicles.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

1e. Additional lighting in the intersection will improve visibility for drivers approaching the intersection.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

1f. Placement of rumble strips placed in the travel lane near the intersection and perpendicular to the direction of travel, can be useful to alert drivers of a need to slow down or stop at the intersection.
Strongly Disagree Disagree Neither Agree nor Disagree Agree Strongly Agree

2. Do you support all or part of this proposed alternative? ____ Yes ____ No. If you support only parts of this alternative as described above, circle the components you do support.
